EDUCATION

- Computer Science and Informatics Engineering.
- Pedagogy in Programming, Mathematics, and Physics.

SKILLS

- English
- Self-taught
- Ability to work in both team and independent settings

WORK EXPERIENCE

Falabella.com

2022 - PRESENT

Full-stack AB tester of the page. I develop the new changes to be implemented on the page and compare their performance with the production version. Finally, the best version is permanently implemented in the website's source code.

Freelance

2019 - 2021

- Your Salad: A website for the sale of salad bowls with a payment gateway.
- Global Chat: A chat room that allows you to converse with all users currently connected.
- PDF Constructor: A web page that receives user photos and converts them into a PDF file.
- TstMaker: A desktop application written in Python that generates and grades math assessments.

Other Jobs

2017-2021

- Programming, Mathematics, and Physics Teacher.
